

# Rockcreek Place Homeowners Association

December 31, 2007

Dear Homeowner,

The Board of Directors has chosen to not include information regarding fence ownership in the recently revised edition of Covenants. If you have questions regarding fence ownership, specifically related to replacement, you should contact the Board of Directors or The City of Plano.

The Board of Directors made this decision in order to not be in conflict with City governances regarding property ownership.

Sincerely,

Board of Directors  
Rockcreek Place Homeowners Association
